Request for Qualifications

THE COUNTY OF FAIRFAX, VIRGINIA, Department of Public Works and Environmental Services is soliciting Statements of Qualifications from consulting engineering firms to provide design services for the design of widening Poplar Tree Road to a four lane divided section from Sully Station Drive to Braddock Ridge Drive. Survey services will be provided by Fairfax County.

All interested firms are requested to submit three (3) copies each of updated GSA Forms SF 330 Parts I & II to the Director, Planning and Design Division, Department of Public Works and Environmental Services, 12000 Government Center Parkway, Suite 449, Fairfax, Virginia 22035-0052.

Evaluation factors to be utilized by the Selection Committee in determining the firms deemed most qualified to perform the related services include, but are not limited to: ability of firm and professional personnel, past performance, location and volume of work previously awarded by the County.

Questions are to be directed to Larry Ichter of the Planning and Design Division at 703-324-5800, TTY 771. All submissions are to be made no later than 4:00 p.m., local time, October 27, 2006.
